Dear Sir or Madam

We, Bureau d'Electronique Appliquee (B.E.A.) Inc [100 Enterprise Drive, RIDC Park West, Pittsburgh PA 15275], are requesting Limited Modular Approval (LMA) on the 24 GHz Transceivers with Antenna Configuration and hereby declare that the 24 GHz Transceivers with Antenna Configuration will only be integrated into Bureau d'Electronique Appliquee (B.E.A.) Inc products. Therefore, Bureau d'Electronique Appliquee (B.E.A.) Inc will retain full control of final installation

No user's manual exist for this product since Bureau d'Electronique Appliquee (B.E.A.) Inc is the integrator. However, the following regulatory notices will be included in the end product manuals.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device contains FCC ID: G9B-305015
IC: 4680A-305015

CAUTION: Changes or modifications not expressly approved by Bureau d'Electronique Appliquee (B.E.A.) Inc could void the user's authority to operate the equipment.

The end-user will also be instructed to ensure that 20 cm separation is maintained between antenna and human.

In addition, the wording "Contains FCC ID: G9B-305015 / IC: 4680A-305015" will be included on the label of the device in which the 24 GHz Transceivers with Antenna Configuration is installed.

Sincerely

Thomas P. Schluep
Vice President of Engineering
