FCC Warning Statement

The device shall bear the following FCC Warning Statement. If the EUT is too small or for such use that it is not practicable to place the statement on it, the statement could be put in the conspicuous location of the user manual or the pamphlet supplied to the user or, alternatively, shall be placed on the container in which the device is marketed.

“ This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”
