Mr. Andy Leimer
Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

Dear Mr. Leimer:

We have reviewed the Type Acceptance Certification request from M. Flom Associates, Inc. on the UHF L Band Transponder, with Federal Communications Commission ID number GB8XS855A, model XS-855A. The technical data for this equipment is consistent with the spectrum requirements of the RTCA Document No. RTCA/DO-144. We have no objection to the certification of this device.

If you require any additional information, please contact Ms. Margarette Ebate, Spectrum Planning and International Division, at (202) 493-5195.

Sincerely,

Donald K. Willis
Manager, Spectrum Planning and
International Division
