

Labeling & User Information Samples

User Information - Section 15.21 Addendum to User Guide

“Notice to Users of Printers Equipped with Contactless Smart Card Coupler”

“The contactless smart card coupler emits radio-frequency waves and must be used as installed and recommended by Credentia, the printer manufacturer. You may not modify the coupler or how it is used without the written permission of Credentia. You may not operate the printer after modifying the coupler or it’s method of operation.”

Labeling Information - Section 15.19 FCC Compliance Statement

(see below)

DataCard[®]

SN: 

832123

PN: 

557000-001

This device complies with part 15 of FCC rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful
interference, and (2) this device must accept
any interference received, including
interference that may cause undesired
operation.
