COMPLIANCE STATEMENT OF NOKIA 5180i, FCC ID: GMLNSD-1GW

The compliance statement can be seen in User Guide of NOKIA 5180i because the size of the handportable NOKIA 5180i and its identification label are so small that the compliance statement can not be printed visible enough.

NOKIA MOBILE PHONES, Inc.

A handwritten signature in black ink, appearing to read 'Jari Niemelä', is positioned above the printed name.

Jari Niemelä
Product Program Manager, Product Development, San Diego

FCC/Industry Canada Notice

Your phone may cause TV or radio interference (for example, when using a telephone in close proximity to receiving equipment). The FCC or Industry Canada can require you to stop using your telephone if such interference cannot be eliminated. If you require assistance, contact your local service facility.

This device complies with part 15 of the FCC rules. Operation is subject to the condition that this device does not cause harmful interference.

Using this Guide

The wireless phone described in this guide is approved for use in CDMA 800 and AMPS networks.

Network services

A number of features included in this guide are called *network services*. They are special services provided by wireless service providers. Before you can take advantage of any of these network services, you must subscribe to the service(s) from your home service provider and obtain instructions for their use.
