Business Unit

I the undersigned on behalf of TRW Automotive U.S. LLC, declare that our radio frequency product type designated:

Certification for Chrysler MY 19 HD FOB/K
FCC ID :GQ4-76T
Canada IC :1470A-76T
Model Number :337848-110 thru -118

76T

The transmitter 76T is a key FOB with 5 buttons. It has 9 cosmetic variants, one with 1 button, three with 3 buttons, two with 4 buttons, three with 5 buttons. The printed circuit board is exactly the same, the only difference being the upper plastic designs, the five switches and capacitors, used on the switch lines which are either mounted or not mounted on the PCB.

TRW P/N	CHRYSLER P/N	DESCRIPTION	CERTIFICATION ID	LOCATION	PLATFORM
