The following statement will be printed in User's Instruction Manual (see EXHIBIT J, p. 1):

This device complies with Part 15 of the FCC Rules and with RS-210 of Industry Canada.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Letter authorizing variance from the official statement is the next page of this exhibit.
