

Re: Certification for TRW '01 RS Receiver
Model No.: GQ43VT25R
FCC ID: GQ43VT25R
CANADA:

FCC/IC IDENTIFIER & MODEL NUMBER

The below shown label will be embossed on the outside of the back of the plastic case of the receiver.
Also, see the photograph for location.

Scale 1:1

Additionally, this device is used in conjunction with a transmitter (FCC ID:GQ43VT18R; CANADA: to be assigned by IC) for which certification is being pursued at the same time.
