Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

FCC Part 15:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. The equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

PLAYING MUSIC

To enjoy music wirelessly on your headphones, make sure that they are properly paired to your Bluetooth-enabled device. If you are pairing the device for the first time, please consult the "Pairing the Headphones" section of this user guide.

Playing/Pausing Music

- Quick press the [▶] button to play/pause media playback.

Skipping/Tracking Songs

- Quick press the [◀] button to go to the previous track.
- Quick press the [▶] button to go to the next track.

Adjusting the Volume

- Long press the [–] to decrease the volume of music playback.
- Long press the [+] to increase the volume of music playback.

You may adjust the volume from both the headphones and your Bluetooth-paired device.

CHARGING THE HEADPHONES

Attach the small end of the micro USB cable to the micro USB charging port on the top of the earpiece. Attach the large end to a computer or USB charger or to a USB adaptor and plug the adaptor into a wall outlet. The LED indicator will turn solid RED while charging and turn off when charged.

A single charge will provide ~6 hours of working time.

Make sure you charge the headphones for at least 2 to 3 hours before using it for the first time.

USING AS A WIRED DEVICE

Attach one end of the 3.5mm auxiliary cable to the AUX-In jack on the bottom of the headphones. Attach the other end to the headphone jack on your mobile device or computer.

All media playback and volume adjustment is controlled through the connected device.

Any Bluetooth pairings will be disabled when the auxiliary cable is plugged in. They will automatically re-pair once the cable is disconnected.

PAIRING THE HEADPHONES

1. Switch the [POWER] switch. A tone will be heard and the LED indicator will quickly flash BLUE.
2. Set your Bluetooth-enabled device to search for Bluetooth devices. When your mobile Bluetooth-enabled device finds the headphones, select "PBT103" from the list of found devices.
3. After a successful pairing, a tone will be heard and the LED indicator will slowly flash BLUE.

On an Apple or Android
• Go to SETTINGS >
BLUETOOTH
(Make sure Bluetooth is turned ON)

The screenshots above are typical of many Bluetooth-enabled devices in the market today and are used to assist in the explanation of the pairing process. Your Bluetooth-enabled device's interface and interaction with the headphones may differ slightly from the illustrations above.
