IN THE BOX

Bluetooth Headphone

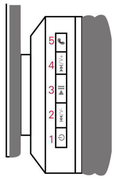

3.5mm Auxiliary Cord

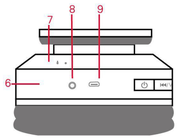

Micro USB Charging Cable

LOCATION OF CONTROLS

(Side)

1. [⏻]: Long press - Power ON/OFF
2. [⏮/ V-]: Quick press - Skip to previous track
   Long press - Decrease volume
3. [▶II]: Quick press - Play/pause
4. [⏭/ V+]: Quick press - Skip to next track
   Long press - Increase volume
5. [📞]: Quick press - Answer/end phone calls
   Double press - Redial last number

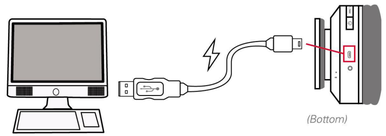

(Bottom)

6. LED indicator
7. Mic
8. AUX jack
9. USB port

CHARGING THE HEADPHONES

To charge the headphones, connect the supplied micro USB cable to the USB charging port and the other end to your computer or USB charging device. The LED indicator light will turn RED when charging and turn off when finished.

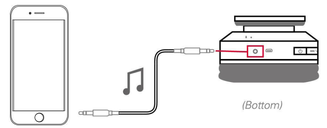

(Bottom)

Make sure you charge the headphones for at least 3 to 4 hours before using it for the first time.

USING AS WIRED HEADPHONES

To use the headphones as a wired device, simply connect the supplied 3.5mm cable from the headphones AUX jack to your device's headphone or AUX jack (consult your device's manual for further assistance).

(Bottom)

Connecting the audio cable will override Bluetooth mode if it is enabled. When the cable is disconnected, the headphones will automatically reconnect to the last paired device if Bluetooth mode is enabled.

PAIRING THE HEADPHONES

1. Long press the [⏻] button to turn the headphones ON. A tone will be heard, indicating that the headphones are powered ON and in pairing mode. The LED indicator will quickly flash BLUE.
2. Set your Bluetooth-enabled device to search for Bluetooth devices.
3. When the Bluetooth enabled device finds the headphones, select "PBT101" from the list of found devices.
4. After a successful pairing, a voice will be heard indicating that the device is paired and the LED indicator will slowly flash BLUE.

If required, enter the password 0000. Select OK or Yes to pair the units.

Polaroid

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

FCC Part 15:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

PLR IP Holdings, LLC, its licensees and affiliates, fully support all electronic waste initiatives. As responsible stewards of the environment, and to avoid violating established laws, you should properly dispose of this product in compliance with all applicable regulations, directives or other governances in the area where you reside. Please check with local authorities or the retailer where you purchased this product to determine a location where you can appropriately dispose of the product.

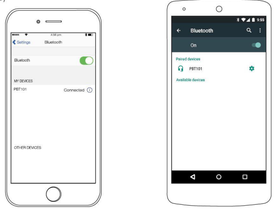

Instantly recognizable, Instantly reassuring, The Polaroid Classic Border and Polaroid Color Spectrum logos let you know you've purchased a product that exemplifies the best qualities of our brand and that contribute to our rich heritage of quality and innovation

PAIRING THE HEADPHONES (cont'd)

On an iPhone or Android

• Go to SETTINGS > BLUETOOTH (Make sure Bluetooth is turned ON)

The screenshots above are typical of many Bluetooth-enabled devices in the market today, and are used to assist in the explanation of the pairing process. Your Bluetooth-enabled device's interface and interaction with the Bluetooth Speaker may slightly differ from the illustrations above.

USING THE HEADPHONES

Powering ON/OFF

- Turn the headphones ON by long pressing the [⏻] button. A tone will be heard indicating that the earbuds are powered ON.
- Turn the headphones OFF by long pressing the [⏻] button. A tone will be heard indicating that the earbuds are powered OFF.

Answering Phone Calls

- To answer a phone call, quickpress the [📞] button.
- To hang up, quick press the [📞] button.

Redial Last Number Called

- Double press the [📞] button to redial the last number called on your Bluetooth-paired phone.

PLAYING MUSIC

To enjoy music wirelessly on your Wireless Headphones, make sure that the earbuds are properly paired to your Bluetooth-enabled device. If you are pairing the device for the first time, please consult the "Pairing the Earbuds" part of this user guide.

Playing/Pausing Music

- QUICK press the [▶II] button to pause the music.
- QUICK press the [▶II] button again to resume music playback.

Skipping Songs

- Quick press the [⏮/ V-] button to go to the previous song.
- Quick press the [⏭/ V+] button to go to the next song.

Adjusting the Volume

- Long press the [⏮/ V-] to decrease the volume of music playback.
- Long press the [⏭/ V+] to increase the volume of music playback.

You may adjust the volume from both the wireless earbuds and your Bluetooth-paired device.

WARRANTY

This product as supplied and distributed new by AIT, Inc. ("AIT") to the original consumer purchaser is warranted by AIT against defects in material and workmanship for a period of one year from your date of purchase ("Warranty"). In the unlikely event that this product is defective, or does not perform properly, you may within one year from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:

- Call the Customer Support number located below, or go to our website portal to receive an SRO number.
- Provide proof of the date of purchase within the package (dated bill of sale).
- Prepay all shipping costs to the authorized service center, and remember to insure your return.
- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.
- Describe the defect or reason you are returning the product.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

The shipping address of the authorized service center is:

AIT, Inc.
ATTN: Customer Service (2nd Floor)
14-C 53rd Street
Brooklyn, NY 11232

IN NO EVENT WILL AIT, ITS MANUFACTURERS, DISTRIBUTORS OR PLR IP HOLDINGS, LLC BE LIABLE FOR ANY INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (SUCH AS, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, BUSINESS, SAVINGS, DATA OR RECORDS) RELATED TO THIS PRODUCT, EXCEPT AS STATED HEREIN, NO OTHER WARRANTIES SHALL APPLY.
