Battery Status

The LEDs on your gaming mouse will turn **red (breathing)** when the battery power is below 25% in Bluetooth or RF 2.4G mode. You may charge your gaming mouse by using the bundled USB cable.

Updating the firmware and customization

1. Connect your gaming mouse to your computer using the bundled cable.
2. Download and install the Armoury II software from https://www.asus.com/Keyboards-Mice/ROG-Chakram/HelpDesk_Download.
3. Follow the software instructions to update your gaming mouse's firmware.
4. Customize your gaming mouse using Armoury II.

Safety Guidelines

Keep the device away from liquid, humidity, or moisture. Operate the device only within the specific temperature range of 0°C(32°F) to 40°C(104°F). When the device exceeds the maximum temperature, unplug or switch off the device to let it cool down.

安全說明

- 此滑鼠只應在溫度不高於 40°C（104°F）的環境下使用。
- 安裝錯誤型號的電池可能會導致爆炸。

Notices

Limitation of Liability

Circumstances may arise where because of a default on ASUS' part or other liability, you are entitled to recover damages from ASUS. In each such instance, regardless of the basis on which you are entitled to claim damages from ASUS, ASUS is liable for no more than damages for bodily injury (including death) and damage to real property and tangible personal property; or any other actual and direct damages resulted from omission or failure of performing legal duties under this Warranty Statement, up to the listed contract price of each product. ASUS will only be responsible for or indemnify you for loss, damages or claims based in contract, tort or infringement under this Warranty Statement.

This limit also applies to ASUS' suppliers and its reseller. It is the maximum for which ASUS, its suppliers, and your reseller are collectively responsible.

UNDER NO CIRCUMSTANCES IS ASUS LIABLE FOR ANY OF THE FOLLOWING: (1) THIRD-PARTY CLAIMS AGAINST YOU FOR DAMAGES; (2) LOSS OF, OR DAMAGE TO, YOUR RECORDS OR DATA; OR (3) SPECIAL, INCIDENTAL, OR INDIRECT DAMAGES OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS OR SAVINGS), EVEN IF ASUS, ITS SUPPLIERS OR YOUR RESELLER IS INFORMED OF THEIR POSSIBILITY.

RF Exposure Warning

The equipment complies with FCC RF exposure limits set forth for an uncontrolled environment. The equipment must not be co-located or operating in conjunction with any other antenna or transmitter.

REACH

Complying with the REACH (Registration, Evaluation, Authorisation, and Restriction of Chemicals) regulatory framework, we published the chemical substances in our products at ASUS REACH website at <http://csr.asus.com/english/REACH.htm>.

ASUS Recycling/Takeback Services

ASUS recycling and takeback programs come from our commitment to the highest standards for protecting our environment. We believe in providing solutions for you to be able to responsibly recycle our products, batteries, other components as well as the packaging materials. Please go to <http://csr.asus.com/english/Takeback.htm> for detailed recycling information in different regions.

Proper disposal

DO NOT throw the device in municipal waste. This product has been designed to enable proper reuse of parts and recycling. The symbol of the crossed out wheeled bin indicates that the product (electrical, electronic equipment and mercury-containing button cell battery) should not be placed in municipal waste. Check local regulations for disposal of electronic products.

DO NOT throw the device in fire. DO NOT short circuit the contacts. DO NOT disassemble the device.

Lithium-Ion Battery Warning

CAUTION: Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type recommended by the manufacturer. Dispose of used batteries according to the manufacturer's instructions.

Federal Communications Commission Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
 - This device must accept any interference received including interference that may cause undesired operation.
- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with manufacturer's instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.

CAUTION! Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the equipment.

Radio Frequency (RF) Exposure Information

The radiated output power of the Wireless Device is below the Innovation, Science and Economic Development Canada (ISED) radio frequency exposure limits. The Wireless Device should be used in such a manner such that the potential for human contact during normal operation is minimized.

This device has also been evaluated and shown compliant with the ISED RF Exposure limits under portable exposure conditions. (antennas are less than 20 cm of a person's body).

Informations concernant l'exposition aux fréquences radio (RF)

This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the accessory of ASUS computer system, tablet, and phone (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Important: Please store this card in a secured location for future reference. ASUS reserves the right to request this document before accepting replacement requests.

Warranty Period of the Product:

This Warranty applies for the period indicated on the Product page of ASUS official website at <http://www.asus.com/entry.htm> > select country of purchase > click "Service" to support site > click "Accessory Warranty Information" ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date of Purchase"), please visit the Product purchased country of ASUS Official Website for the details. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of the Warranty Period.

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- Damage caused to this Product(s) by you or any non-authorized third party;
- The serial number of the Product, components or accessories has been altered, cancelled or removed;
- Obsolescence;
- Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

5. Limitation of Liability

Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

6. Privacy

It is necessary for ASUS to collect, process, and use Your personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: http://www.asus.com/Terms_of_Use_Notice_Privacy_Policy/Privacy_Policy/

7. Warranty and Support

This Warranty applies in the country of purchase.

Product purchased in European Union is eligible for ASUS Warranty Service within European Union.

In this Warranty:

- Service procedures may vary by country.
- Some service and/or replacement products may not be available in all countries.
- Some countries may have fees and restrictions that apply at the time of service; please visit the ASUS Support site at <http://www.asus.com/support> for more details.

ASUS reserves the right to interpret the provisions in this ASUS Warranty Information. The information in this warranty card may change without prior notice. Please visit the ASUS Support site at <http://www.asus.com/support> for current and complete ASUS warranty information.

This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the accessory of ASUS computer system, tablet, and phone (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Important: Please store this card in a secured location for future reference. ASUS reserves the right to request this document before accepting replacement requests.

Warranty Period of the Product:

This Warranty applies for the period indicated on the Product page of ASUS official website at <http://www.asus.com/entry.htm> > select country of purchase > click "Service" to support site > click "Accessory Warranty Information" ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date of Purchase"), please visit the Product purchased country of ASUS Official Website for the details. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of the Warranty Period.

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- Damage caused to this Product(s) by you or any non-authorized third party;
- The serial number of the Product, components or accessories has been altered, cancelled or removed;
- Obsolescence;
- Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

5. Limitation of Liability

Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

6. Privacy

It is necessary for ASUS to collect, process, and use Your personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: http://www.asus.com/Terms_of_Use_Notice_Privacy_Policy/Privacy_Policy/

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- (a) Damage caused to this Product(s) by you or any non-authorized third party;
- (b) The serial number of the Product, components or accessories has been altered, cancelled or removed;
- (c) Obsolescence;
- (d) Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- (e) Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

5. Limitation of Liability

Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

6. Privacy

It is necessary for ASUS to collect, process, and use Your personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: http://www.asus.com/Terms_of_Use_Notice_Privacy_Policy/Privacy_Policy/

This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the accessory of ASUS computer system, tablet, and phone (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Important: Please store this card in a secured location for future reference. ASUS reserves the right to request this document before accepting replacement requests.

Warranty Period of the Product:

This Warranty applies for the period indicated on the Product page of ASUS official website at <http://www.asus.com/entry.htm> > select country of purchase > click "Service" to support site > click "Accessory Warranty Information" ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date of Purchase"), please visit the Product purchased country of ASUS Official Website for the details. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of the Warranty Period.

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- (a) Damage caused to this Product(s) by you or any non-authorized third party;

This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the accessory of ASUS computer system, tablet, and phone (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Important: Please store this card in a secured location for future reference. ASUS reserves the right to request this document before accepting replacement requests.

Warranty Period of the Product:

This Warranty applies for the period indicated on the Product page of ASUS official website at <http://www.asus.com/entry.htm> > select country of purchase > click "Service" to support site > click "Accessory Warranty Information" ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date of Purchase"), please visit the Product purchased country of ASUS Official Website for the details. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of the Warranty Period.

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**

- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- Damage caused to this Product(s) by you or any non-authorized third party;
- The serial number of the Product, components or accessories has been altered, cancelled or removed;
- Obsolescence;
- Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

5. Limitation of Liability

Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

6. Privacy

It is necessary for ASUS to collect, process, and use Your personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: http://www.asus.com/Terms_of_Use_Notice_Privacy_Policy/Privacy_Policy/

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- Damage caused to this Product(s) by you or any non-authorized third party;
- The serial number of the Product, components or accessories has been altered, cancelled or removed;
- Obsolescence;
- Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

5. Limitation of Liability

Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

6. Privacy

It is necessary for ASUS to collect, process, and use Your personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: http://www.asus.com/Terms_of_Use_Notice_Privacy_Policy/Privacy_Policy/

This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the accessory of ASUS computer system, tablet, and phone (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Important: Please store this card in a secured location for future reference. ASUS reserves the right to request this document before accepting replacement requests.

Warranty Period of the Product:

This Warranty applies for the period indicated on the Product page of ASUS official website at <http://www.asus.com/entry.htm> > select country of purchase > click "Service" to support site > click "Accessory Warranty Information" ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date of Purchase"), please visit the Product purchased country of ASUS Official Website for the details. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of the Warranty Period.

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**
- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. This ASUS manufacturer warranty (hereafter referred to as the "Warranty") is granted by ASUSTeK Computer Inc. (hereafter referred to as "ASUS") to the purchaser (hereafter referred to as "You") of the accessory of ASUS computer system, tablet, and phone (hereafter referred to as the "Product"). This warranty card is being delivered with the Product, subject to the following terms and conditions. ASUS accredited Service Agents and Repair Centers will provide the services covered under this Warranty.

Important: Please store this card in a secured location for future reference. ASUS reserves the right to request this document before accepting replacement requests.

Warranty Period of the Product:

This Warranty applies for the period indicated on the Product page of ASUS official website at <http://www.asus.com/entry.htm> > select country of purchase > click "Service" to support site > click "Accessory Warranty Information" ("Warranty Period") from the date the Product was first purchased by an end-customer ("Date of Purchase"), please visit the Product purchased country of ASUS Official Website for the details. If proof of purchase cannot be provided, the manufacture date as recorded by ASUS will be deemed to be the start of the Warranty Period.

Statutory Rights

This Warranty is given independently of any statutory rights that may apply in the country of purchase and does not affect or limit such statutory rights in any manner whatsoever.

1. General

ASUS warrants the Product to be free from defects in workmanship and materials for the Warranty Period. The Warranty does not cover bundled accessories, which were delivered together with the Product such as: cables, bag, mouse etc. If the Product fails during normal and proper use within the Warranty Period, ASUS will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 4 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is replaced or refund, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Customer Responsibility

When using the Product

- Read the user manual first and use the Product only according to the user manual.
- Periodically back up your data stored on the Product.
- Technical support hotline phone number can be found at <http://www.asus.com/support>.

- Ensure that You have fully backed up all the data stored on Your Product and removed any personal, confidential, or proprietary information before any service process is started. You agree that ASUS may delete any data, software, or programs installed on the Product without restoring them. **ASUS shall not be held liable for the permanent loss, damage, or misuse of your data.**

- Pack the Product in safe and stable packaging and make sure that all accessories are in the package. The original packaging may be useful for this purpose. ASUS shall have no liability for the loss, damage or destruction of accessories or removable storage devices, unless they are caused by willful or gross negligent acts by ASUS.

3. Warranty Service

When you have the defective Product, you have to take this ASUS Warranty card or proof of purchase to the place where you bought the product to swap a new product.

4. Exclusions from this Limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The Warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- Damage caused to this Product(s) by you or any non-authorized third party;
- The serial number of the Product, components or accessories has been altered, cancelled or removed;
- Obsolescence;
- Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.

5. Limitation of Liability

Except as provided in this Warranty and to the maximum extent permitted by law, ASUS is not responsible for direct, special, incidental or consequential damages resulting from any breach of warranty or condition, or under any other legal theory, including but not limited to loss of use; loss of revenue; loss of actual or anticipated profits (including loss of profits on contracts); loss of the use of money; loss of anticipated savings; loss of business; loss of opportunity; loss of goodwill; loss of reputation; loss of, damage to or corruption of data; or any indirect or consequential loss or damage whatsoever caused including the replacement of equipment and property, any costs of recovering or reproducing any data stored on or used with the Product. The foregoing limitation shall not apply to death or personal injury claims, or any statutory liability for intentional and gross negligent acts and/or omissions by ASUS. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages; to the extent such jurisdiction is governing this Warranty the above limitations do not apply to You.

6. Privacy

It is necessary for ASUS to collect, process, and use Your personal data in order to facilitate the requested service; and for this purpose Your personal data may be transferred to, stored, processed or used by ASUS' affiliated companies or ASUS' service providers who may be located in a different country to you. ASUS committed that all said transfer, storage, process or use of Your personal data shall be subject to applicable laws on privacy protection and personal data security and the "ASUS Privacy Policy". Please access and read the ASUS Privacy Policy at: http://www.asus.com/Terms_of_Use_Notice_Privacy_Policy/Privacy_Policy/
