Subject: User's Manual for H6NCMM2200.

The CellNet Data Systems DCOM transmitter, FCC I.D. H6NCMM2200, does not have a user's manual as the device is an industrial product that is installed and maintained by trained CellNet personnel only. The product is not sold, but is part of a complete system that is owned by CellNet.

Thank you for your cooperation.

Sincerely,

Mike L. Gustafson
Director of Hardware Development
