Dear Ms. Taube:

I am requesting that you dismiss the application for FCC ID **H9PLA3021-100**. This is a Class II Permissive change.

I erroneously began submission of the application on the public Electronic Filing Site, rather than the TCB filing site. I have completed the technical review and I am prepared to issue the grant. Because I originally used the public site, I can not begin the TCB process because there is a permissive change already in process.

Please dismiss the application with confirmation number **EA238671**. After it has been dismissed, I will process the application as a TCB.

Thank you.

Sincerely,

Bob Martin
