

 A black, symmetrical device, likely a toy, is shown from the back. It has a central vertical slot and two side flaps. A white label with the FCC ID is on the left side. A red arrow points from the text 'FCC ID Location' to the label.	FCC ID Location
 A close-up of the white label on the device. The label contains the text: 'ECHO TOYS', 'FCC ID: HAP91229T49', and a paragraph of text stating: 'This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.' A pink arrow points from the text 'FCC ID Sample' to the FCC ID number.	FCC ID Sample
