RE:
Tracer 6420
FCCID: HDCTRC6420L2x

To Whom It May Concern:

Installation of the Tracer 6420 is to be performed only by a professional installer and not the end user.

Firmware updates may be provided to the end user but no end user firmware updates have control that could cause the unit to operate in a manor outside of how it was originally approved

Sincerely,

A handwritten signature in black ink, appearing to read 'Derek Foster', is written over a horizontal line.
