Subject: RE: Reply for Accton Technology Corporation, FCC ID: HED2835WACC

Dear Timothy,

Thanks for you kindly advise.

As per your review comments, please see the explanation below:

EMC

- 1) Sorry for carelessness mistake! We modified the 731 Form and have it attached for you review.
- 2) Please find the re-taken photo attached for your review as file named: Internal photo 2.
- 3) Please find the revised report on page 10 as per your requirement.
- 4) Please find the revised manual provided by our client for your review.

SAR

- 5) We remeasured the 1.5 cm spacing test as per your requirement and added the test results to report. Please find the attachment for reviewing.
- 6) Sorry, it's a typo. We modified it as per your requirement.
- 7) Please see the SAR report showed on page 18, the uncertainty is 27.5%.
- 8) Please find the file attached as file named " Normal scan setting by default for evaluation test" as per your requirement.
- 9) We added the information on p.12 as per your requirement, please find the SAR report for your reference.

I hope the supplementary satisfy all you requirement for reviewing this submission,
if you have further question, please feel free to let me know.

Thanks & Regards,

Julia Chu
