

[illegible]

The diagram shows a top-down view of a rectangular product label. Four red arrows point upwards from specific areas below to corresponding areas on the label:

- The first arrow points from the Acer logo and company information to the top-left area of the label.
- The second arrow points from the "SSN label" to the top-center area of the label.
- The third arrow points from the EMI/RFI compliance logos to the top-right area of the label.
- The fourth arrow points from the CE, FC, REACH, and ROHS logos to the bottom-right area of the label.
