

FCC ID: HQKKMEKF7101

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference and (2) This device must accept any interference received, including interference that may cause undesired operation.

VOLTAGE/CURRENT: 2V — 30mA MAX

⚠ WARNING!

Continuous use of any keyboard may cause excessive stress to your wrists, arms, neck or back. If you feel strain, numbness, tingling or in these areas consult a qualified health professional.

TO REDUCE THE RISKS OF SUCH INJURIES FOLLOW THESE PRECAUTIONS:

- Position Yourself: Choose a chair that provides support to your lower back. Adjust your work surface height and position to assume a comfortable and natural body posture.
- Go Upright: Type with a light touch, keeping your back and neck relaxed. Avoid resting your palms or wrists on any surface while typing. Don't rest on elbows, such as the edge of a desk.
- Take Breaks: Take frequent short breaks. Get up and stretch at least a couple of times every hour. Adjust your work area so you do not press into the back of your chair.
