

15. PHOTOS OF TESTING

- Radiated test (TX)

- Radiated test (RX)

- Conducted test

- Harmonics test

- Voltage fluctuations test

- Electrostatic discharge immunity test

- Electrical fast transient / burst immunity test

- Radiated immunity test

-Surge test (Power Line)

- Inducted RF fields (conducted susceptibility) test

**Spectrum Research &
Testing Lab., Inc.**

TEST REPORT

Reference No.:A05022303
Report No.:RADA05022303
Page:67 of 68
Date:Mar. 01, 2005

- Voltage dips, interrupts, variations test
