Date: June, 30 2004

Gentlemen:

Cirronet Inc respectfully requests confidentiality of certain materials provided with the submission of the WIT2450 under FCC ID: HSW-2450 in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, block diagram, and integration guide. The WIT2450 has been developed at considerable effort and expense by Cirronet Inc.. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Al Patrick,
Sr. Compliance Engineer
