Mr. Fujimoto,

In order for processing of this application (FCC ID: HVVADWI) to continue, the following issue(s) will have to be addressed:

- 1) Please indicate compliance with the voltage variation requirements of FCC Part 15, section 15.31(e).
- 2) Please indicate the type of modulation used by the transmitter.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.

Please upload your response to our electronic filing website using a correspondence number of "HVVADWI-1".

If you have any questions, feel free to contact me.

Best regards,
