Subject: Compliance Statement in Car Manual

Dear Mr. **YUUICHI ONO**,

Our product HYQ12BZB, a transmitter for a vehicle security system, will be already installed in cars (as original equipment) when placed into the U.S. market. We must hereby request that the following statements per CFR 47, Part 15 must be added to the car's manual. This is a requirement from the Federal Communications Commission in Washington, D.C.:

Per CFR 47, Part 15, Paragraph 15.21 the following statement must be added to the car's manuals:

The title "CAUTION TO USER:" or "FCC WARNING:" or "NOTE:" or relevant title, and " Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

Per CFR 47, Part 15, Paragraph 15.19(a)(3) the following statement must be added to the car's manual:

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received including interference that may cause undesired operation."

Yours Sincerely,

TADASHI SHIBATA
