Manual Requirement of FCC
Model: 23ACC

Our product is one of vehicle parts incorporated into the vehicle as original equipment.
Therefore, we will not supply the user manual. However, we will ask the vehicle manufacturer to include following statements in the user manual of the vehicle in accordance with FCC requirement.

1. Requirement for User manual of the vehicle

1.1. FCC Requirement

In accordance with 15.21 of FCC rule, following statement will be included in the user manual of the vehicle.

FCC WARNING

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

In accordance with requirement of FCC§15.19(a)(3), following statement will be included in the user manual of the vehicle.

NOTE

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
