

FCC and RSS-210 Regulations

This Device complies with Part 15 of the FCC Rules and RSS-210 Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC CAUTION: This scanner is for hand held use only !

To ensure that the scanner complies with current FCC regulations limiting both maximum RF output power and human exposure to radio frequency radiation, a separation distance of at least 20cm must be maintained between the unit's antenna and the body of the user and any nearby persons at all times and in all applications and uses.
