

FCC ID: I54-12018RX
FRONT VIEW OF THE
PRINTED WIRING BOARD

The image shows the front view of a yellow printed wiring board (PCB) populated with various electronic components. A central integrated circuit (IC) is labeled "926 TD69E16 2X8". Other components include several electrolytic capacitors, a variable potentiometer, and various resistors. Wires are connected to the board, and a white label with "FCC ID: I54-12018RX" is visible in the top right corner.
