Application for Class II Permissive Change

Dear Sir/Madam:

We respectfully wish to apply for a Class II permissive change for the above referenced FCC Identifier under the provisions of FCC rule 2.1043.

The change filed under this application entails replacing the reference frequency oscillator from a VCTCXO to a TCXO of the same nominal frequency, in the same package and a compatible pin out. There were no changes to the PCB.

This change was approved as a Class II Permissible Change based on a PAG, inquiry tracking number 880398, following the current Notification 202109-001.

Test reports showing compliance are submitted with this application.

The applicant certifies that no party to this application is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug abuse Act of 1988.

Our FRN number is 0008688764.

Your prompt attention to this matter is appreciated. Please let me know if there are any questions or if further data is required.

Sincerely,

Signed by:
