A vehicle equipped with the LoJack® System that has been stolen and recovered shall not subsequently qualify for the LoJack Limited Warranty or Lifetime Extended Warranty unless the LoJack® unit has been inspected and the warranty has been revalidated by LoJack. This warranty shall be null and void if it is determined that the report to the law enforcement agency of the theft of a vehicle equipped with the LoJack® System was false or erroneous. LoJack Corporation reserves the right to make changes in design and improvements upon its products without assuming any obligation to install such changes upon any of its products previously manufactured or installed.
