A photograph of a green printed circuit board (PCB) with various electronic components and wires. The PCB is resting on a wooden surface with a ruler marked in inches (12, 14, 15, 16). A white label with black text is placed on the PCB. The label reads "HITEC" in a large, bold, serif font, followed by "99U0207" and "6/8/99" in a smaller, bold, serif font. The PCB has several rows of pins and connectors, and a bundle of colored wires (yellow, orange, green, red) is connected to it. The background is dark and out of focus.
