Re: Supersede request for FCC ID: IHDP6KH1, IHDP6KJ1; Granted on: Aug/07/2009

To Whom It May Concern:

We regret to inform you that due to internal process error, we have submitted the inappropriate ID Label / Location Info exhibit to the filling.

Since our client request to hide external and internal photo for a period, but we use real picture of EUT to show label location. So we would like to request the FCC to supersede the exhibit described as "ID Label/Location Info" outlined below with red color.
