Subject: Dismissal of Grant for Certified Transmitter with FCC ID: IHDP6MD1, Low Power Wireless Headset.

Gentlemen;

Motorola Mobility, Inc.; 8000 W. Sunrise Blvd.; Plantation, FL 33322 herein requests that the recently issued grant of authorization for the Wireless Headset bearing FCC ID: **IHDP6MD1** be dismissed. Motorola Mobility will then re-file this application with new exhibits/test reports as applicable.

Market needs have dictated that this device have Class I Bluetooth capabilities, which necessitates increasing the RF power. Per FCC rules, this cannot be accomplished via a Class II Permissive Change. Note that no devices have yet been marketed or sold under this FCC ID.
