

ATTESTATION STATEMENTS

The transceiver of type IHDT56CU1 has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that this equipment complies with the appropriate standards. Each unit manufactured imported or marketed, will conform to the sample tested within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made at Motorola, located at 1500 Gateway Boulevard, Boynton Beach, Florida and 2001 N. Division Street, Harvard Illinois.
