

**CONFIDENTIALITY REQUEST**

7 January 2015

Federal Communications Commission Laboratory  
Authorization & Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046

**Subject: Confidentiality Request Regarding Application for Certification of FCC ID: IHDT56QC1.**

Dear Sir or Madam:

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby respectfully request confidential treatment of information accompanying this application as outlined below:

| Exhibit Type                       | File Name                                          |
|------------------------------------|----------------------------------------------------|
| Block Diagrams.                    | IHDT56QC1_Ex_04 (Block Diagrams).pdf               |
| Schematic Diagrams.                | IHDT56QC1 _Ex_05 (Schematics).pdf                  |
| Parts List and Tune Up Procedures. | IHDT56QC1 _Ex_10 (Parts List and Tune-up).pdf      |
| Transmitter Characteristics.       | IHDT56QC1 _Ex_12 (Transceiver Characteristics).pdf |

Motorola Mobility LLC requests that these exhibits be held as *Permanently Confidential*, and not be made routinely available for public inspection. Motorola considers that the information in these exhibits should be classified as trade secrets, pursuant to 47 CFR Section 0.457(d) and Section 552(b)(4) of the Freedom of Information Act. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

Motorola Mobility LLC understands that, pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

**SHORT TERM ONFIDENTIALITY REQUEST – 180 DAYS**

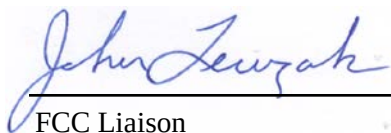

Pursuant to the Commission's public notice DA 04-1705 (June 15, 2004), Motorola Mobility LLC is also requesting Temporary Confidentiality treatment of information accompanying this application as outlined below. This provision will give Motorola Mobility LLC temporary confidentiality prior to product launch.

| Exhibit Type                  | File Name                                                                                                                                                                                                                                                                   |
