RF Switch	Rugby SKU7 XT1921-1	SP3T RF Switch ;0.1-3.0GHz;29dBm;1.15*1.15*0.6	MXD8631	Maxscend
	Rugby Go XT1921-8	HW Removed	HW Removed	HW Removed

Since the Rugby Go(IHDT56XC3) will remove FPS, the enclosure will use Rugby NA SKU1 (IHDT56XC2) directly. There is no change in the material or appearance.

Except above, the others are all the same.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,

Jeff Narducci
