At a glance

Before using your product, please read the legal, safety, and regulatory information in this guide. Product images are for illustration purposes only and may differ from the actual products you purchase.

Charging case

Earbuds

For Cert
11Dec 2025

Charge

Charge your case using a USB-C® cable (may be sold separately).

Note: Before using the product, remove the protective film from the earbuds.

Tip: Your earbuds will automatically charge when they're in the charging case, provided the case is charged.

Pair and connect

With earbuds in the open case, press and hold the Function button on the charging case for 2 seconds until the LED indicator flashes blue. Then select your earbuds in the Bluetooth settings on the device you want to pair.

Put on and use your earbuds

Open the Elastic Connector to clip each earbud on. The Hearing Ball should go in front, and the Bean-shaped Part should be at the back of your ear.

Note: You can change gestures in the earbuds app.

Press either Control button once to play or pause music, or to answer or end a call.

Press the left/right Control button twice to play the previous/next track.

Press the left/right Control button 3 times to increase/decrease volume.

Press and hold either Control button for 3 seconds to launch voice assistant, or reject a call.

For Cert
11Dec 2025

Factory reset

Put both earbuds into the charging case, then press and hold the function button for 12 seconds. Your device goes into factory reset status when the LED indicator flashes white. Follow the "Pair and connect" section of this guide to pair again.

To get the earbuds app, user guides, and more, visit www.motorola.com/mymotobuds or scan the QR code with your **Camera** app.

Legal, safety, and regulatory information

Safety information

- To prevent possible hearing damage, do not listen at high volume levels for long periods.
- Responsible and safe driving is your primary responsibility when driving a vehicle. Always obey local laws and regulations.
- Your product contains magnets and may interfere with pacemakers and other medical devices. Consult your healthcare provider and the medical device manufacturer's directions before using this product.
- Chargers that do not comply with applicable national standards may be unsafe, with risk of death or injury, and may cause slow charging or product damage. The power delivered by the charger (may be sold separately) must be between min 4 Watts required by the radio equipment, and max 4Watts in order to achieve the fastest charging speed.
- The battery in your product is designed to last the life of the product. To prevent possible burning and injury, the battery in your product should only be removed by a Motorola-approved service center or recycler when the product is end of life.
- It is not recommended to attempt to disassemble, repair or modify the device by yourself. This may damage the device and could cause danger.
- Avoid looking directly at the LED indicator, which may cause discomfort or temporarily impair vision.
- This product is not a toy. Your product contains small parts that may present a CHOKING HAZARD or cause other injury to small children and animals. Keep your product away from small children and animals.
- Stop using your product and seek medical advice if you experience skin irritation.

Use & care

- Don't use your product in temperatures below 0°C (32°F) or above 45°C (113°F). Don't store or transport your product in temperatures below -20°C (-4°F) or above 60°C (140°F).
- Don't expose your product to water, rain, extreme humidity, or other liquids.
- Don't expose your product to dust, dirt, sand, food, or similar materials.
- Do not drop, disassemble, puncture, crush or expose your product to fire.
- To clean your product, use a dry, soft cloth.

Specifications

≡ This symbol indicates DC voltage.

Earbud input: 5V≡150mA; Charging case input: 5V≡800mA;

Charging case output: 5V≡300mA

Bluetooth frequency band: 2400 - 2483.5MHz; Maximum RF power: 13dBm (for EU):

European conformance (CE and UKCA). The following information is applicable to products that carry a CE or UKCA mark. Contact point: Regulatory Compliance, Motorola Mobility UK Ltd., 25 Templer Avenue, Farnborough, Hampshire, GU14 6FE, UK.

Hereby, Motorola Mobility LLC declares that the radio equipment model as defined in this guide (and box label) supplied with this product bearing the CE mark is in compliance with Directive 2014/53/EU; and bearing the UKCA mark is in compliance with the Radio Equipment Regulations 2017. The full DoC can be found at www.motorola.com/red.

FCC Regulatory Compliance. This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

changes or modifications not expressly approved by the party responsible for compliance could

void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC SAR statement. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

The portable device is designed to meet the requirements for exposure to radio waves established by the Federal Communications Commission (USA). These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value reported under this standard during product certification for use when properly worn on the head

CE SAR statement

This equipment complies with Directive 2014/53/EU radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

The portable device is designed to meet the requirements for exposure to radio waves established by European Union market(France). These requirements set a SAR limit of 2W/kg averaged over ten gram of tissue. The highest SAR value 0.13W/kg reported under this standard during product certification for use when properly worn on the head.

IC Statement

ISED compliance statement

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) L'appareil ne doit pas produire de brouillage;
- (2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

IC SAR statement

This equipment complies with ISED radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other

antenna or transmitter.

The portable device is designed to meet the requirements for exposure to radio waves established by the ISED. These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value reported under this standard during product certification for use when properly worn on the head.

Cet équipement est conforme aux limites d'exposition aux rayonnements ISED établies pour un environnement non contrôlé. L'utilisateur final doit suivre les instructions spécifiques pour satisfaire les normes. Cet émetteur ne doit pas être co-implanté ou fonctionner en conjonction avec toute autre antenne ou transmetteur.

Le dispositif portatif est conçu pour répondre aux exigences d'exposition aux ondes radio établie par le développement énergétique DURABLE. Ces exigences un SAR limite de 1,6 W/kg en moyenne pour un gramme de tissu. La valeur SAR la plus élevée signalée en vertu de cette norme lors de la certification de produit à utiliser lorsqu'il est correctement porté sur le tête.

Exposure to RF energy & device operation. This device contains a transmitter and receiver of RF energy. It meets the applicable national or international RF exposure guidance (SAR guideline) when used normally against your head or, when worn or carried. The SAR guideline includes a considerable safety margin designed to assure the safety of all persons, regardless of age and health. The highest SAR value under the SAR guidelines for your product is:

CE (2W/Kg @ 10g)	Head, 0.3W/Kg
FCC/IC (1.6W/Kg @ 1g)	Head, 0.82W/Kg

To view the SAR values for this device, visit www.motorola.com/sar. To view additional information, visit www.motorola.com/rfhealth.

FCC ID: IHDT6AC2 IC: 1090-T6AC2 CAN ICES-003(B)/NMB-003(B)

ANATEL. "This equipment is not entitled to the protection from harmful interference and

may not cause interference with duly authorized systems.” www.anatel.gov.br

ANATEL. Este equipamento não tem direito à proteção contra interferência prejudicial e não pode causar interferência em sistemas devidamente autorizados. www.anatel.gov.br

México Declaración de Conformidad. La operación de este equipo está sujeta a las siguientes dos condiciones: 1) es posible que este equipo o dispositivo no cause interferencia perjudicial y 2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.

Disposal & recycling. Don't dispose of this product or its battery with your household waste. For help recycling products and packaging responsibly, visit www.motorola.com/recycling.

Disposal & recycling. Electronics are not trash. Disposal in common waste can cause damage to the environment. Learn how to dispose of our products and packaging responsibly at <https://www.motorola.com.br/reciclagem>.

Guarantee policy (Mexico)

This Guarantee Policy represents the only guarantee that applies to personal communication Products and Accessories of the Motorola Trademark that are purchased in Mexico.

Items covered by this Guarantee

It protects the manufacturing defects and hidden defects of the “Products” and “Accessories” (such as batteries, antennas, chargers, wired headphones and wireless phones) of the Motorola trademark, described in the space that for such purpose is established on the back of this Guarantee Policy, which covers all of the parts, components, accessories and labor of Motorola Products, as well as the transportation costs that derive from fulfilling this policy, within its service network.

The Motorola “Products” that this guarantee protects are wireless earpieces.

Motorola, free of charge for you, shall have the option to repair or replace the “Products”, “Accessories” and components that present problems and are covered by the Guarantee. Motorola Comercial, S.A. de C.V. shall use used, equally functioning, refurbished, repaired or second hand parts or spare parts to repair the “Product.” Software updates shall not be provided.

Duration of the Guarantee

The duration of the guarantee shall be one year starting from the purchase date of the new “Product” or “Accessory” at an authorized establishment.

Procedure for exercising the Guarantee

To demand the fulfillment of this guarantee, the address where the “Product” or “Accessory” was purchased must be sent to the address of the Person Responsible for the “Products” and

"Accessories" in Mexico:
Motorola Comercial S.A. de C.V.
Avenida Antonio Dovalí Jaime No 70
Torre A, Piso 14
Colonia Zedec Santa Fe
Alcaldía Alvaro Obregón
México, Ciudad de México, C.P. 01219
Número telefónico: 800 021 0000

or to the address of the authorized service center (which you can consult free of charge by calling 800 021 0000) and presenting the "Product" or "Accessory" with its parts and components. To exercise this guarantee, you must present the "Product" or "Accessory" and this Guarantee Policy duly sealed by the establishment where it was purchased. In the event that this policy was not established on the date in which the "Product" or "Accessory" was purchased, you must present the receipt from this purchase.

Limitations or exceptions of this Guarantee

The guarantee shall not be valid:

- When the "Product" or "Accessory" has been used in conditions different than normal conditions.
- When the "Product" or "Accessory" has not been operated in accordance with the accompanying usage instructions.
- When the "Product" or "Accessory" has been changed or repaired by people who are not authorized by the national manufacturer, importer or respective responsible retailer.

Motorola shall notify the consumer if the service request is covered by this guarantee policy; in the event that it is not covered, Motorola shall inform the consumer of the availability, prices and other conditions that apply to repairing the "Product".

Motorola shall only replace the "Product" or "Accessory", upon turning in the "Product" or "Accessory" purchased. For more information about the "Product" that needs repairs that are not covered by this guarantee, please call 800 021 0000.

Product model:

Product purchase date

Seal of authorized distributor or establishment where Product was purchased:

Note: In other countries, consult the local guarantee laws and regulations and your local Motorola office.

Arbitration & opt-out. Except where prohibited by law, any claim relating to any Motorola product will be resolved by binding arbitration, instead of in court, unless you opt-out by sending written notice within 30 days of purchase that includes your name, address, phone number, and serial number (SN inside the charging case), stating that you reject this Arbitration provision to: Motorola Mobility LLC, 222 West Merchandise Mart Plaza, Attn: Arbitration Provision Opt-Out, Chicago, IL 60654 or arbitrat@motorola.com.

Service & Repairs. If you have questions or need assistance, go to www.motorola.com/support.

Contact us: For metropolitan areas and national capitals, call 4002-1244. For other locations, call 0800-773-1244.

Legal disclaimers. Product specification and other information contained in this guide are believed to be accurate at the time of printing or release. Motorola reserves the right to correct or change any information without notice.
