Language (code).....10

at a glance

Before using your device, please read the legal, safety, and regulatory information in this guide. Product images are for illustration purposes only and may differ from the actual products.

Pen

Tip: For more about the Pen button, refer to the *User Guide* at motorola.com/mymotopen.

activate before use

Before first use, place the pen in the charging case with the pen's motorola logo facing either toward or away from the charging case indicator.

insert & remove

Gently push the pen inward to insert it into or release it from the charging case.

pair your pen and device

For a list of the pen's compatible devices, visit motorola.com/mymotopen.

With the pen out of the charging case and Bluetooth enabled on the device you want to pair, tap **Connect** in the on-screen prompt.

Note: If no prompt appears on the phone, press and hold the Pen button for 3 seconds to enter pairing mode.

Tip: To customize your pen, go to **Settings > Smart Pen** in your paired phone.

charge up

Charge your pen in either of these ways:

- Charge the charging case with a suitable USB-C cable. The pen charges automatically when placed inside, provided the case is charged.
- Place the pen on a Qi-certified charging device.

replace the pen tip

To replace the old tip, gently pull it out and insert the new tip until it is firmly in place.

Caution: This product is not a toy. Your product contains small parts that may present a **CHOKING HAZARD** or cause other injury to small children and animals. Keep your product away from small children and animals.

use your pen & get more

Use your pen for sketches, note-taking, editing, and more. To get the full user guides, and more, visit motorola.com/mymotopen or scan the QR code.

legal, safety, and regulatory information

For the complete legal, safety and regulatory information, visit motorola.com/accessory-legal.

Safety information

- Your device contains magnets and may interfere with pacemakers and other medical devices. Consult your healthcare provider and the medical device manufacturer's directions before using this device.
- Power supplies that do not comply with applicable national standards may be unsafe, with risk of death or injury, and may cause product damage.
- The battery in your device is designed to last the life of the product. To prevent possible burning and injury, the battery in your device should only be removed by a Motorola-approved service center or recycler when the device is end of life. Don't dispose of your battery or device in a fire.
- It is not recommended to attempt to disassemble, repair or modify the device by yourself. This may damage the device and could cause danger.
- Stop using your device and seek medical advice if you experience skin irritation.

Use and care

- Don't use your device in temperatures below -10°C (14°F) or above 55°C (131°F). Don't store or transport your device in temperatures below -20°C (-4°F) or above 60°C (140°F).
- Do not insert sharp objects into the device. Inner components may be damaged along with the water-resistance feature. For detailed information about your device's dust and water resistance design and care tips, refer to the *User Guide*.
- Do not drop, puncture, crush or expose your device to fire.

Guarantee policy (Mexico)

This Guarantee Policy represents the only guarantee that applies to personal communication Products and Accessories of the Motorola Trademark that are purchased in Mexico.

Items covered by this Guarantee

It protects the manufacturing defects and hidden defects of the "Products" and "Accessories" (such as batteries, antennas, chargers, wired headphones and wireless phones) of the Motorola trademark, described in the space that for such purpose is established on the back of this Guarantee Policy, which covers all of the parts, components, accessories and labor of Motorola Products, as well as the transportation costs that derive from fulfilling this policy, within its service network.

The Motorola "Products" that this guarantee protects are smart pen.

Motorola, free of charge for you, shall have the option to repair or replace the "Products", "Accessories" and components that present problems and are covered by the Guarantee. Motorola Comercial, S.A. de C.V. shall use used, equally functioning, refurbished, repaired or second hand parts or spare parts to repair the "Product." Software updates shall not be provided.

Duration of the Guarantee

The duration of the guarantee shall be one year starting from the purchase date of the new "Product" or "Accessory" at an authorized establishment.

Procedure for exercising the Guarantee

To demand the fulfillment of this guarantee, the address where the "Product" or "Accessory" was purchased must be sent to the address of the Person Responsible for the "Products" and "Accessories" in Mexico:

Motorola Comercial S.A. de C.V.:
Avenida Antonio Dovalí Jaime No 70
Torre A, Piso 14
Colonia Zedec Santa Fe
Alcaldía Alvaro Obregón
México, Ciudad de México, C.P. 01219
Número telefónico: 800 021 0000

or to the address of the authorized service center (which you can consult free of charge by calling 800 021 0000) and presenting the "Product" or "Accessory" with its parts and components.

To exercise this guarantee, you must present the "Product" or "Accessory" and this Guarantee Policy duly sealed by the establishment where it was purchased. In the event that this policy was not established on the date in which the "Product" or "Accessory" was purchased, you must present the receipt from this purchase.

Limitations or exceptions of this Guarantee

The guarantee shall not be valid:

- When the "Product" or "Accessory" has been used in conditions different than normal conditions.
- When the "Product" or "Accessory" has not been operated in accordance with the accompanying usage instructions.
- When the "Product" or "Accessory" has been changed or repaired by people who are not authorized by the national manufacturer, importer or respective

responsible retailer.

Motorola shall notify the consumer if the service request is covered by this guarantee policy; in the event that it is not covered, Motorola shall inform the consumer of the availability, prices and other conditions that apply to repairing the "Product".

Motorola shall only replace the "Product" or "Accessory", upon turning in the "Product" or "Accessory" purchased. For more information about the "Product" that needs repairs that are not covered by this guarantee, please call 800 021 0000.

Product model:

Product purchase date

Seal of authorized distributor

or establishment where

Product was purchased:

Note: In other countries, consult the local guarantee laws and regulations and your local Motorola office.

Arbitration & opt-out. Except where prohibited by law or otherwise not applicable (such as in Australia, Japan and Türkiye), any claim relating to any Motorola product will be resolved by binding arbitration, instead of in court, unless you opt-out by sending written notice within 30 days of purchase that includes your name, address, phone number, and serial number near the charging case's USB-C port, stating that you reject this Arbitration provision to: Motorola Mobility LLC, 222 West Merchandise Mart Plaza, Attn: Arbitration Provision Opt-Out, Chicago, IL 60654 or arbitrat@motorola.com.

Service & repair. If you have questions or need assistance, go to www.motorola.com/support.

Contact centers.

Australia 1300 138 823 New Zealand 0508 668676

Contact center. Japan: 0120-227-217.

Contact us: For metropolitan areas and national capitals, call 4002-1244. For other locations, call 0800-773-1244.

Legal disclaimers. Product specification and other information contained in this guide are believed to be accurate at the time of printing or release. Motorola reserves the right to correct or change any information without notice.
