Re: Application for Cellular/PCS Transceiver Certification
(Class II Permissive Change)

Gentlemen:

Application:

Motorola, Inc., Personal Communications Sector, 600 N. U.S. Highway 45, Libertyville, Illinois 60048-1286
herein submits:

- Application for Equipment Authorization (FCC Form 731-October 1992 with integrated Fee Processing Form, Fee Codes EAC),
- application fee in the amount of \$50, and
- SAR Exhibit.

These items are for Class II Permissive Change Certification of Cellular Transceiver, FCC ID: IHDT6AF2.
Motorola is the manufacturer of this equipment.

Description of Change:

In normal operation, the transceiver is a body worn only device. This class 2 permissive change addresses a minor addition which contains a microphone and earpiece to allow the transceiver to be used next to the head. A new exhibit 11 is submitted which documents changes in SAR. The new test report is not submitted since no characteristic in exhibit 6 degraded.
