RE: Confidentiality Request

FCC ID: IHDT6GJ1

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying this Application as outlined below:

- Schematics
- Block Diagram

This system is an Automotive Bluetooth Music and Hands Free system meant for permanent installation into a motor vehicle. It enables phone conversations in the vehicle with a dedicated microphone and speaker, via a Bluetooth wireless link to a cellular phone or other Bluetooth device.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Karl H. Nitz', written over a horizontal line.
