

EXHIBIT 11

FCC Labeling Information

Exhibit Summary:

EXHIBIT 11 contains a diagram of the label that will be placed on the back of each mobile station transceiver.

Contents:

Mobile Station FCC Label.....	2
-------------------------------	---

Mobile Station FCC Label:

A label similar to the one shown below will be permanently affixed to the back of each mobile station transceiver produced (see EXHIBIT 12, page 3 for placement on the transceiver). The label as shown is approximately 2:1 scale.

Other information may also appear on the label.
