Subject: Correction to original 731 Form

To whom it may concern,

The initial 731 form was electronically filed, confirmation number **13EA96070** for the FCC ID number listed above. This FCC ID number was entered incorrectly by one of my staff. This was this persons first time with the submittal process. Could you please make an amendment to the original FORM to reflect the following:

Original	- FCC ID incorrect	IMKIMK-HRFUSB
Amended	- FCC ID correct	IMK-HRFUSB

These errors only occurred on the original 731 filing and the remainder of the documentation should be correct.

I apologize for the misunderstanding. If there is anything else I need to do to correct this problem please do not hesitate to contact me at (408)747-1490 or by email at: chip@eclabs.com

I have been having problems with my ISP recently so if you could copy any correspondence to matt@eclabs.com to insure the receipt in one form or another I would appreciate it.

Regards,

A handwritten signature in blue ink, appearing to read 'Chip'.
