

Date: February 19, 2020

Federal Communications Commission
Authorization and Evaluation Division

Confidentiality Request regarding application for certification of FCC ID: IN9-ICS-01-RFID

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

Exhibit Type

Block Diagram

Schematics

Operational Description

File Name

IN9-ICS-01-RFID BlkDia.pdf

IN9-ICS-01-RFID Schem.pdf

IN9-ICS-01-RFID OpDes.pdf

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also require temporary confidential treatment of information accompanying this application as outlined below for a period of 180 days:

Exhibit Type

Internal Photographs

External Photographs

Test Set-up Photographs

File Name

IN9-ICS-01-RFID IntPho.pdf

IN9-ICS-01-RFID ExtPho.pdf

IN9-ICS-01-RFID TSup.pdf

Temporary confidentiality for 180 days from public disclosure is important for Sealed Air for commercial product development. It enables the company to complete its development and regulatory efforts prior to introducing the product to the marketplace. Releasing information on the product via the FCC website prior to formal market introduction can be confusing to our customers and places the company at a competitive disadvantage.

Sincerely,

Steven Maston
Manager, Electrical Engineering

Sealed Air
100 Westford Rd
