Re: Power Tracker VI – FCC ID: IOL-125-AV1026

Gentleman,

We, AVID Identification Systems, Inc., will implement the following modifications during manufacturing: Add 2 Clamp-on Ferrite Suppression Cores (Fair-Rite P/N 0431164281) to the communications interface cable. Add 1 Clamp-on Ferrite Suppression Core (Fair-Rite P/N 0431167281) to the DC power lead on the AC power adapter. Add 1) 220pF capacitor (C51) across pins 5 & 6 of U1 (74AC74D).

Sincerely,

A handwritten signature in cursive script that reads "Michael F. Cruz".

Michael F. Cruz
Director of Engineering
