Dear Mr. Leimer:

We have reviewed the Garmin request for type acceptance of the Mode S transponder Model Number GTX 330D and with the Federal Communications Commission number IPH-0046400 and we have no objections to the certification of this device.

If you require any additional information, please contact Mr. Donald Nellis, Spectrum Planning and International Division, at (202) 267-9779.

Sincerely

for George K. Sakai
