

- A. The following specific instructions are provided in the printed Owner's Manual that is included with the device:

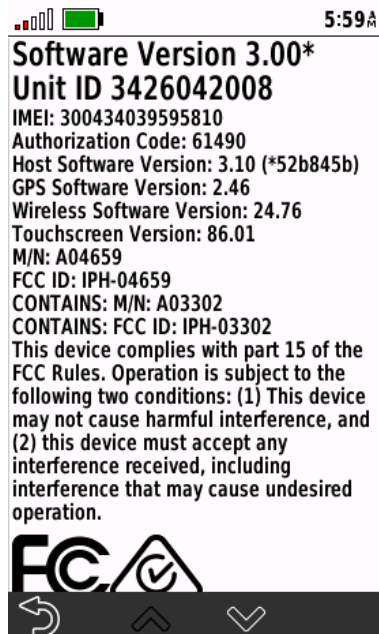

Device Information

Viewing E-label Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

- 1 Select **Setup**.
- 2 Select **About**.

- B. The following image is displayed electronically:

- C. The above information is programmed by Garmin in such a manner that third-parties cannot modify it.
- “No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.”
- D. The above M/Ns and FCC IDs are also printed on the product packaging:

PACKAGE CONTAINS: handheld with a rechargeable Li-ion battery pack, belt clip, AC adapter, USB-C cable, documentation

Garmin reserves the right to provide you the finest product available to date. Engineering enhancements are ongoing and may not be reflected in the pictures and specifications on this package.
