

E-Label Description

The following Instructions are provided in the user manual on how to access the e-label:

Viewing E-label Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

1. Open the **Main Menu**.
2. Select **Settings**.
3. Select **About**.

The e-label is displayed as shown in the following screenshot:

- C: The above information is programmed by Garmin in such a manner that third parties cannot modify it.

No special accessories or supplemental plug-ins (e.g. installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.

Electronically displayed information is clearly legible without the aid of magnification.

- D: The above M/N, FCC ID, and IC numbers can be found printed on the product packaging and included documentation.
