Subj: GARMIN INTERNATIONAL A04932 (SIGNAL VHF 400) AUTOMATIC
IDENTIFICATION SYSTEM (AIS) CLASS B SO INITIAL APPROVAL

We have reviewed the materials you have submitted with your email(s) dated May 5, 2026, requesting U.S. Coast Guard Type Approval for the Garmin Model A04932 (Signal VHF 400). This unit meets the requirements of the applicable international standards. The Certificate of Approval (COA) is enclosed.

The COA will remain valid for five years from the date of issuance, unless we suspend, withdraw, or terminate it. Terms of approval are on the reverse of the certificate. Any changes or alternation of components, construction or manufacturing location of the product may require a product to undergo additional testing, or requalification in order to keep its approval.

This letter and all attachments were delivered electronically to cb@industrial-ia.com. No hard copies will be provided. You are welcome to print as many copies as you wish. If you have any follow-up to this approval, please contact typeapproval@uscg.mil. Please reference ID# P-2026-5219 in any correspondence related to this project.

Sincerely,

A handwritten signature in blue ink that reads "C. P. Rabalais".

C. P. RABALAIS
Commander, U.S. Coast Guard
Chief, Systems Engineering Division
