

Label and E-Label Information

E-Label Information:

- A. The following specific instructions are provided in the Quick Start Manual that ships with the device.
- Label viewing directions are found in the user manual (outlined here for reference) and available online at www.garmin.com.
 - Getting the Owner's Manual:
The owner's manual includes instructions for using device features and accessing regulatory information.
Go to: www.garmin.com/manuals/A05168
- B. The following instructions are provided in the user manual on how to access the e-label:

Viewing Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

1. From the watch face, hold to get to **Settings** .
2. From the settings menu, select **System**.
3. Select **About**.

- C. The above information is programmed by Garmin in such a manner that third-parties cannot modify it.

“No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.”

Electronically displayed information is clearly legible without the aid of magnification.

- D. The above M/N, FCC ID, and IC numbers can be found printed on the product packaging.
