

Label and E-Label Information

E-Label Information:

- A. The following specific instructions are provided in the Quick Start Manual that ships with the device, which directs the user to the Owner's Manual.

garmin.com/manuals

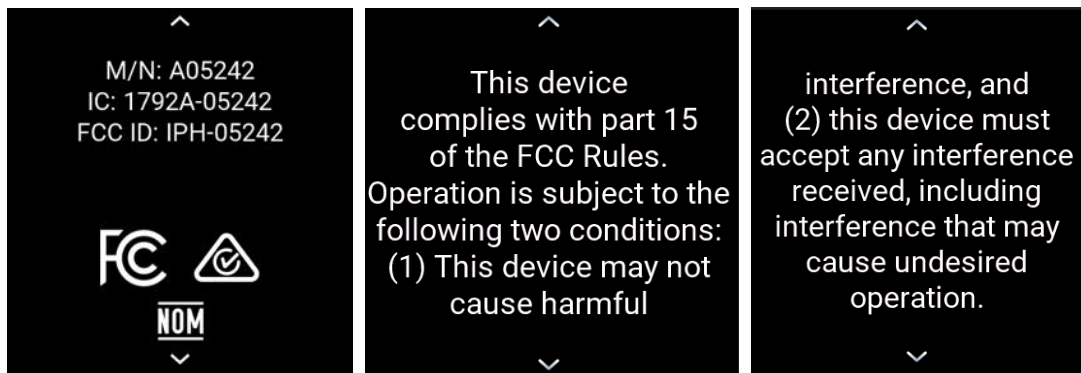

- B. The following instructions are provided in the Owner's manual that is provided at garmin.com/manuals:

Viewing E-label Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, the IMEI number, as well as applicable product and licensing information.

- 1 Select **Settings**.
- 2 Select **System**.
- 3 Select **About**.

- C. The above information is programmed by Garmin in such a manner that third-parties cannot modify it.

“No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.”

Electronically displayed information is clearly legible without the aid of magnification.

- D. The above M/N, FCC ID, and IC numbers can be found printed on the product packaging.
