RE: DECLARATION LETTER

Related to product:

- Type of equipment: Automotive Infotainment System
- Brand: Garmin
- Model name: PCI3L3N1

To whom it may concern,

We declare under our sole responsibility that the identity in design and construction to the originally approved products for the device manufactured by Robert Bosch GmbH is electrically identical to the device manufactured by Garmin. Only manufacturers and model names are different, therefore technical documentation from the original device is applicable and representative for this device:

- Operational description
- Block diagrams
- Schematics
- PCB layout
- PCB component placement
- Mechanical drawing
- BOM
- Antenna datasheet
- RF module datasheet
