

Label and E-Label Information

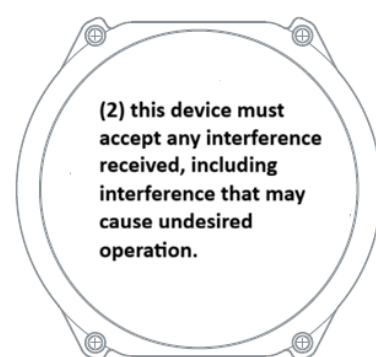

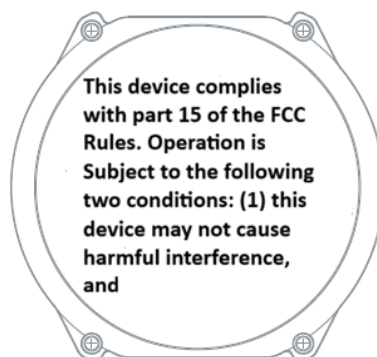

E-Label Information:

- A. The following specific instructions are provided in the Quick Start Manual that ships with the device.
- Label viewing directions are found in the user manual (outlined here for reference) and available online at www.garmin.com.
 - Getting the Owner's Manual:
The owner's manual includes instructions for using device features and accessing regulatory information.
Go to: www.garmin.com/manuals/AA5170
- B. The following instructions are provided in the user manual on how to access the e-label:

Viewing Regulatory and Compliance Information

The label for this device is provided electronically. The e-label may provide regulatory information, such as identification numbers provided by the FCC or regional compliance markings, as well as applicable product and licensing information.

- From the watch face, hold to get to **Settings** .
- From the settings menu, select **System**.
- Select **About**.

- C. The above information is programmed by Garmin in such a manner that third-parties cannot modify it.

“No special accessories or supplemental plug-ins (e.g., installation of a SIM/USIM card) are required to access the information. Access to the information is provided without special codes, accessories, or permissions beyond the normal security protection to unlock the screen, sign-in page, or overall product access.”

Electronically displayed information is clearly legible without the aid of magnification.

- D. The above M/N, FCC ID, and IC numbers can be found printed on the product packaging.
