Product Warnings

WARNING

See the *Important Safety and Product Information* guide in the product box for product warnings and other important information.

This device is intended only for recreational use on a racetrack. Never use this device on public roadways. Failure to follow this warning may result in an accident causing property damage, serious personal injury, or death. You are responsible for using this device in a safe and prudent manner.

Always ensure your vehicle is suitable for use on a racetrack and is properly maintained before using the device.

The device is intended to assist in analyzing your driving performance. Always maintain awareness of the track and your surroundings and do not become distracted by the display. Failure to pay attention to the track can lead to an accident which may result in property damage, personal injury, or death.
